HCA Healthcare®

Welcome to the Physical Medicine & Rehabilitation Residency Program at West Florida Hospital

The Physical Medicine & Rehabilitation Residency Program at West Florida Hospital is part of the HCA Healthcare Graduate Medical Education network. HCA Healthcare is the nation's leading provider of quality, patient-centered care. We are also the leader in graduate medical education, all brought together by a single mission:

Above all else, we are committed to the care and improvement of human life.

ACGME ID: 3401100110

Our 3 year Advanced program starts with our first class of residents in July 2021! As a new program, we are excited to let you know that we are glad that you are interested in learning more about us.

We have a dynamic and diverse faculty, dedicated to teaching, an ideal patient population and a full range of service lines to provide you the learning.

In Pensacola, you will receive outstanding training in PM&R. We are focused on providing you the best quality education with knowledgeable, engaged faculty, an excellent and safe clinical learning environment, with a combination of inpatient and outpatient experiences. Our clinical rotations at the inpatient setting and outpatient settings provide you with many opportunities for learning and acquiring procedural skills. We have a robust 18-month cycle didactic program that includes dedicated weekly 3- hour educational sessions, as well as monthly Journal Club, M&M conferences and Grand Rounds. We are also very committed to providing Wellness events for residents and encouragement with opportunities to do research.

Our program is located in Pensacola, FL and I invite you to explore our website, which will continue to grow as our program develops. We look forward to the opportunity to show you all that the PM&R Residency Program has to offer. We wish you the best of luck in this important next step in your career. Look forward to connecting with you.

Sincerely,

K. Rao Poduri, MD, FAAPMR
Professor of PM&R at University of Central Florida
Program Director

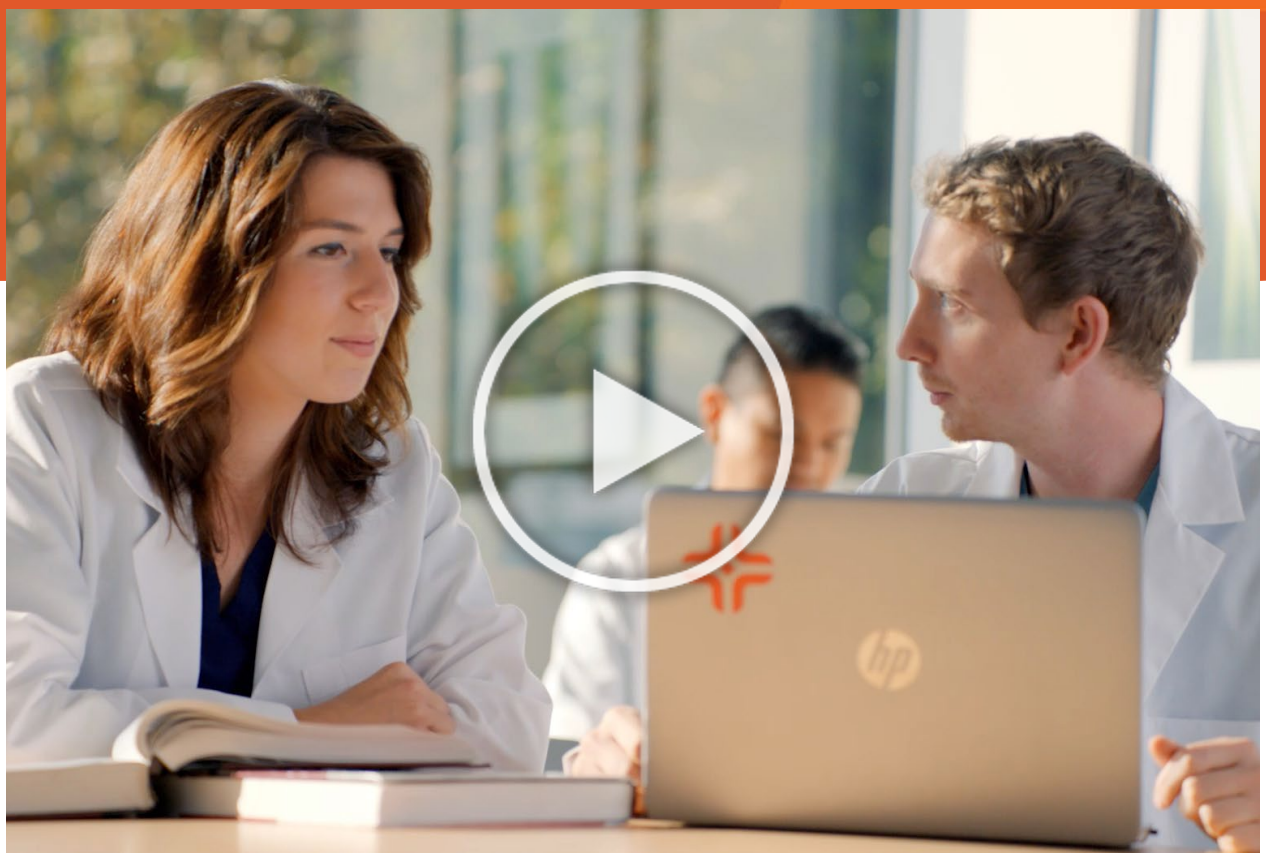
About HCA Healthcare GME

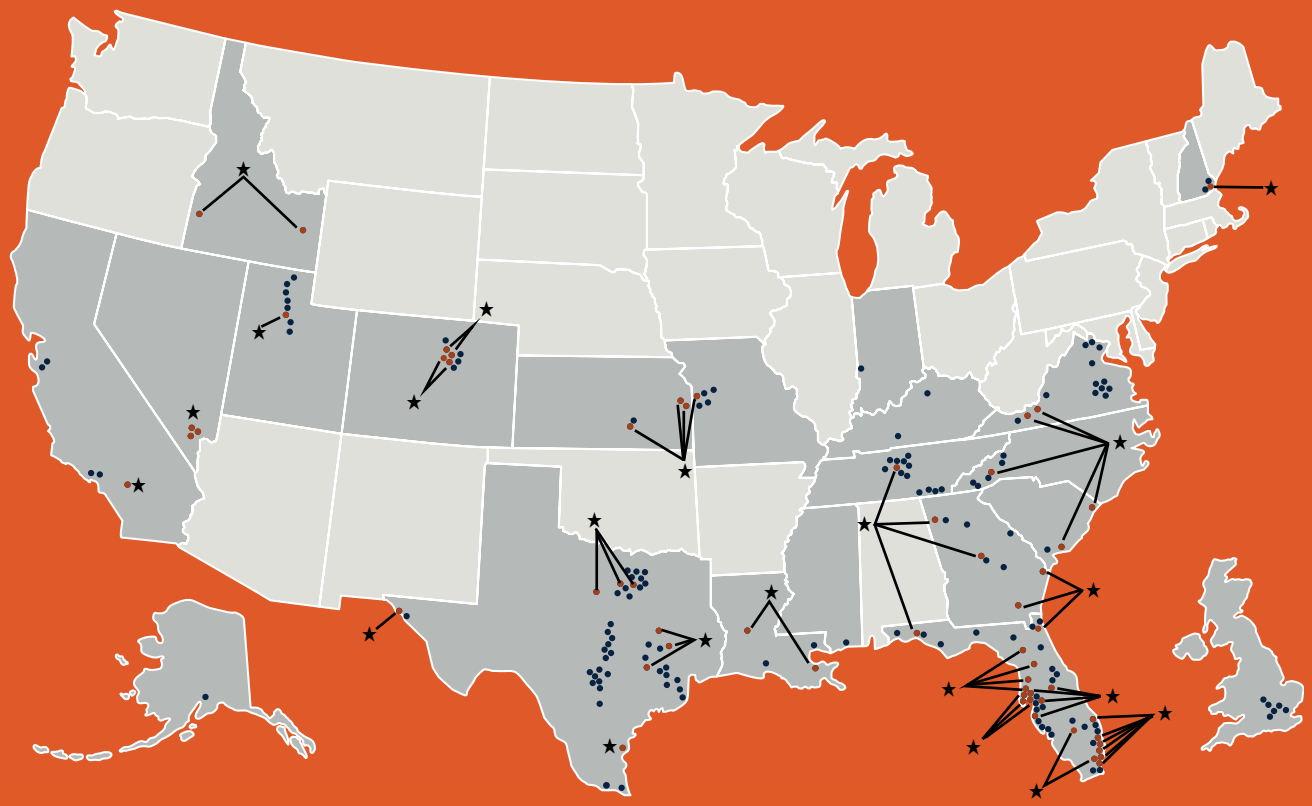
HCA Healthcare is a comprehensive healthcare network with 280,000^ colleagues across 2,000 care facilities all committed to creating a positive impact every day. We continually invest in our colleagues and facilities to better serve our patients and local communities. The graduate medical education programs seek to inspire tomorrow's physicians to care for and improve human life by focusing on patient-centered approaches to practicing the latest evidence-based medicine.

To learn more about the benefits and expectations of training with an HCA Healthcare program, view our Resident and Fellow Manual.

^Approximate



Our residency and fellowship programs are in 58 hospitals located in 15 states



★ ○ Residency or Fellowship Program

● HCA Healthcare Hospital

Size

HCA Healthcare Graduate Medical Education is the largest sponsor of residency and fellowship programs across the nation.

4,202
residents

336
fellows

198
specialty programs (residencies)

74
sub-specialty programs (fellowships)

Scholarly Activity

HCA Healthcare Graduate Medical Education provides a critical link between vigorous scholarly activity and real-world patient care from a sophisticated data repository of over 35 million^ patient encounters each year.

2,600+ HCA Healthcare GME scholarly activities in 2019-20

Clinical Training

Each year approximately five percent of all U.S. hospital services happen at an HCA Healthcare facility, including:

35 million^ patient encounters
9.2 million emergency room visits
220,000^ babies delivered

HCA Healthcare Graduate Medical Education is a leader in clinical experience:

- Nationally known physician expertise across the country
- Investments in facilities allowing the advancement of patient care
- High emphasis on simulation results and low patient incidents
- Higher patient touch than academic facilities
- Annual collaborative mass casualty event team training

A commitment to scholarly activity

Based on more than 35 million patient encounters each year, our scholarly activity bridges the gap between compelling evidence and exceptional patient care.

Our experiential learning is rooted in evidence-based medicine that leads to innovative, **real-world patient health solutions**.

Merging the rigor of **ACGME** accreditation with high patient touch, our residents and fellows deliver evidence-based care that demonstrates our mission to care for and improve human life.

We offer **National Grand Rounds** that leverage accomplished clinical expertise from across HCA Healthcare, bringing the nation's leading medical experts to our residency and fellowship programs.

- American College of Surgeons

Influential Collaboration

HCA Healthcare residents and fellows have access to talented, highly skilled teams of faculty, industry experts and dedicated research teams to guide residents and fellows through their journey. Residents and fellows produce evidence that drives future practice by leveraging HCA Healthcare's national clinical data warehouse – the heart of our data ecosystem.

HCA Healthcare Scholarly Commons is a platform to collect, share and publish the variety of academic work created by the Graduate Medical Education community. It is a collaborative, open access resource developed to discover and showcase our contributions to medical knowledge. Included on this platform is the **HCA Healthcare Journal of Medicine**, a peer-reviewed scientific periodical focused on innovation, enhanced quality and developing new knowledge in clinical care and medical education for the benefit of all patients.

About HCA Healthcare

HCA Healthcare is one of the nation's leading providers of healthcare services and is comprised of 186 hospitals and more than 2,000 sites of care including surgery centers, freestanding ERs, urgent care centers, diagnostic and imaging centers, walk-in clinics and physician clinics in 21 states and the United Kingdom. With its founding in 1968, Nashville-based HCA Healthcare created a new model for hospital care in the United States.
